

SCHAUMANN is one of the leading European companies in manufacturing and distribution of high-quality mineral fodders, biological silage inoculants, feed acids and other special products for animal nutrition. Basis of our success have been the stable quality of our products for over 75 years and consulting farmers around animal production.

To strengthen our European sales activities we are looking in **Sweden** for a

Sales partner / Authorized dealer

Your profile

- ★ Knowledge of animal nutrition
- ★ Existing sales team in Swedish market
- ★ Direct access to farms/farmers
- ★ Interest in innovative feeding concepts
- ★ Focus on dairy and cattle sector

You will benefit from our

- ★ Innovative products and active ingredients
- ★ BONSILAGE – Europe's leading ensiling agent
- ★ Own research, development and production
- ★ High quality expert advice
- ★ Well established SCHAUMANN feeding concept
